RADP WORKSHOP 2013-14

- One day RADP workshop was organized on 15 April, 2014 at NARC. The main objective of the workshop was to share the outputs/progress of the program with farmers, researchers, academia and policy makers. Different technologies of crops, natural resources and animal sciences were also displayed for the participants. Honorable Federal Minister of National Food Security & Research Mr. Sikandar Hayat Khan Bosan was the chief guest of this event. Federal Secretary National Food Security & Research and Joint Secretary (Plan) M/o NFS&R were also attended the workshop. Approximately, 300 participants attended the workshop. Project Director, RADP made a brief presentation about the project activities and progress so far made in various sectors. Chairman PARC Dr. Iftikhar Ahmad in his welcome address briefed about the project profile and its impact on strengthening the National Agricultural Research System (NARS). Director General, NARC Dr. Muhammad Azeem Khan in his vote of thanks address appreciated the financial support of MNFS&R. Honorable Minister and Federal Secretary appreciated the efforts after listening the remarks by the farmers and also urged that the significant technologies of the program must be passed on to the farming communities.
